## Think Pink

**Region:** Borba - Alentejo - Portugal **Wine:** Rosé 2010 **Varieties:** Aragonez & Castelão **Soils:** Chalky Clay and Schist **Classification:** Table Wine

### Production:

The Aragonez and Castelão grapes are selected from the best vineyards, following strict control in the evolution of the maturing process. Immediately after arrival at the Cellar, the grapes were crushed and de-stemmed, followed by a 12-hour period of pelicular maceration, fermentation in temperature controlled stainless steel vats and finally cold stabilized and filtered. Bottling took place with anti-oxidation protection, to maintain the fruity and youthful character of the wine.
